

Working Seminar on Integral Geometry

Date: December 10 (Fri) 10:30–12:00

Place: RIMS Room 402

Speaker: Bernhard Krötz (RIMS)

Title: Working Seminar on Integral Geometry 8

Abstract:

The plan for the approximately next five lectures is to slowly move through Gindikin's paper "Integral geometry on $SL(2, \mathbb{R})$ ", Math. Res. Lett. 7 (2000), no. 4, 417–432. We begin with explanation/translation of the notations in the paper.
